**FSDB Parents: Please join us Friday, January 17th**

**Moore Hall → 9:00—1:30**

**GAIL  
HAMILTON**

## Unlimited Potential

Change the way you see and you will change the way you live. Gail Hamilton, as a blind person, knows about light and dark. Many people allow their fears to stop them from experiencing life to the fullest. However, this is not the case with Gail Hamilton. As a result, she inspires and encourages her audiences, unlike any other speaker... to live unstoppable, unforgettable, and unbelievable lives.

**CHRIS  
BOORTZ**

## McKinney Vento Act

The McKinney-Vento Education for Homeless Children and Youth Program is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school. Under this federal program, state educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youth.

**CATHY  
COSTLEY**

## Parenting in the Digital Age

Staying Plugged In, Staying Connected, and Staying Safe are the foundation of this presentation from the Office of the Attorney General. Learn strategies and resources on communicating with your child about staying safe online.
